### **Cubicost- TAS C**

# Link TBQ Project

### Link TBQ Project

If your BQ is from TBQ program, you can use this function to import BQ into TAS rapidly. After associating quantities obtained in TAS with BQ, you can upload them to TBQ for further costing.

1. Click Link TBQ Project, and the logon window appears.

AS a	25 <b>(1)</b>	Q @glodon.com		0	×
